Commissioner for Patents

Washington, D.C. 20231

Dear Sir:

In response to the Office Action mailed March 19, 2001, please amend the above-identified application as follows and consider the following remarks.

In the Specification

Please amend the specification by inserting the Abstract of the Disclosure, attached hereto on a separate page.

In the Claims

Clam 30 (Amended) A cleaning composition according to claim 1 wherein said oxidoreductase is a non-heme haloperoxidase obtained from the strain *Serratia marcescens* and characterized by enzymatic activity in a range of from about 10% to about 40%, in a pH range of from about 7 to about 12.
